Brand New Book ***** Print on Demand *****.Recent discoveries in quantum mechanics prove that no atomic particle can exist separately from the rest of creation; therefore only unity exists. This has important implications. For example, harm we do to our environment will show up as harm we do to ourselves. Also, unity means we are intimately related to each other. And separation leads only to selfishness and destruction. This awareness could not have come at a more opportune moment because, if we persist in our belief in separation, we will continue to use science and technology in the service of greed. Two consequences will follow. 1 The majority of humans will die gasping for breath resulting from irreversible air pollution. 2 - Continued exploitation of the third world will end in nuclear war. Only our acceptance of unity will enable us to survive. But unity is not material, so it can only be spiritual. From this, new, incredible horizons of mystery unfold. We will see that we humans are essentially divine, and mind will be recognized as an ocean of consciousness in which we swim like fishes in a universal sea. Also, three scientifically valid spiritual laws will appear. They are: 1. The Law of Unity. All is one and one is divine. Therefore each apparently separate entity deserves respect appropriate to its essential divinity. 2. The Law of Karma. We get back what we give out. Therefore we are entirely responsible for our world and everything we experience within it. 3. The Law of Love. It is the motive behind the action, not the action itself that determines its consequence. It follows from this that, if we continue to allow greed to...
