Reviews

Complete guideline! Its this kind of good read. It can be writter in easy terms rather than difficult to understand. I am delighted to tell you that here is the very best book i have got go through during my very own lifestyle and might be he greatest ebook for at any time.

(Bill Klein)

THE WORLD I LIVE IN

Digireads.com. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 7.9in. x 4.8in. x 0.5in. Helen Keller (1880-1968) was an American author, lecturer, and political activist. At nineteen months, she suffered an illness that left her deaf, blind, and eventually mute. Helen remained in a lonely state of sensory deprivation until she reached the age of six, when Anne Sullivan (also visually impaired) was employed by the Keller family to tutor her. As a member of the Socialist Party of America and the Wobblies, Helen campaigned for womens suffrage, workers rights, and socialism, as well as many other leftist causes. She was the first deaf and blind person to earn a Bachelor of Arts degree. After her 1904 graduation from Radcliffe with honors in German and English, Helen wrote profusely, completing a total of 12 published books and numerous articles. The World I live In (1908) offers Helens remarkable insight of the worlds beauty perceived through the sensations of touch, smell, and vibration, together with the workings of a powerful imagination. It is her most personal and intellectually adventurous work that transforms a readers appreciation for her extraordinary achievements. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
