

A Handbook of Wine: How to Buy, Serve, Store, and Drink It (Classic Reprint) (Paperback)

Filesize: 1.37 MB

Reviews

The book is fantastic and great. I have got read through and i am confident that i will planning to read yet again once again in the foreseeable future. I found out this book from my dad and i recommended this publication to discover.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from **A Handbook of Wine: How to Buy, Serve, Store, and Drink It** This book on Wine is designed as a practical handbook for the amateur, the consumer. It will not confuse him with the jargon of the expert and the specialist; nor bore him with details, to him irrelevant, of process; nor with photographs of famous chateaux; nor with the history of Wine from Noah onwards. It is designed, indeed, to give the reader such knowledge as is necessary for him to buy wisely, to store safely, to serve correctly, and to drink with greatest enjoyment. Terms in ordinary use are explained in a glossary. The illustrations are explanatory, not merely decorative. It is not, of course, possible to cover anything like adequately the whole winefield. This would need an encyclopaedia rather than a handbook. Attention must be chiefly directed to giving a workaday acquaintance with the representative wines of the ordinary market - enough to stimulate the would-be connoisseur to pursue his own researches. He will realize what the writer realizes only too keenly - how inadequate mere words are to convey even the essential differences, let alone the subtle characteristics of the various members of this great family. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
