Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.DAMAGED is the first in The Unbelievable Story About My Truth series that chronicles the author s life from being Damaged as an innocent child by sexual, physical and mental abuse; then suffering the RIPPLES of consequences from the choices she made in an attempt to find her way after escaping, as well as the ripple effects on those she let, and brought, into her life; to being set FREE from the ravages of post-traumatic stress disorder through the truly divine processes of healing she was led to find. She constantly lived in fear and was brainwashed by those who were supposed to love and protect her into believing that she was worthless and would never be deserving of anyone s love. Lorina shares her experiences as honestly, and sometimes graphically, as possible to help those suffering as she did, to know that she has lived their pain, but also...
