Brand New Book ***** Print on Demand *****.Postmodernism carries with it the idea that there are no absolutes. This has been reflected not only in the secular culture of our day, but increasingly in Christian churches as well. The inescapable fact is however, that with God there are absolutes. He never changes and neither does His truth. In *Kingdom Invaders: Postmodern Threats to Biblical Christianity* Randy addresses some of the key truths that are under attack in the contemporary Church. Through these pages skeptics will find compelling reasons to believe in the inerrancy and infallibility of the Bible, and Christians will become better equipped to fight the battles against false teachings that are invading the Kingdom of God today. INCLUDES A STUDY GUIDE FOR GROUP DISCUSSION! Randy Kennedy is the news director at a three-station Christian radio network in central Minnesota. He has been a student and teacher of the Bible for much of his adult life. A combined three-plus decades working as part of the law enforcement community and in radio news has given Randy a unique insight into the issues of the day and how they are affecting modern culture and Christianity.
