Winterskymoonranch, United States, 2012. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.After a long day of teaching riding lessons and training horses, the idea of cooking a nutritious meal was often monumental. Debbie began to use her slow cooker more and more, and to this day, almost every meal she makes is prepared with one. A first of its kind, this cookbook is filled with easy to use slow cooker recipes for horse lovers that can be prepared in 15 minutes or less. This allows a rider to put together a nutritious healthy meal that will cook while they are in the barn, out on a trail ride, even at a show, giving them more time with the horses, and less time in the kitchen. Over 100 recipes that include: appetizers, soups and stews, breakfast recipes, main dishes, desserts and even horse treats! Each recipe includes a horse lover s quote, and brief histories and photographs surrounding the earliest breeds of horses that helped to shape the American landscape are included. From Chicken and Dumplings to Chocolate Cake, it s all in the cookbook.
