Brand New Book ***** Print on Demand *****.Excerpt from *New Grammatical Method: For the Use of Schools* It seems strange that we, as a nation, have so signally failed in the production of a Grammar that should happily expound our language to those who would acquire an accurate use of it. Prof. Whitney thinks our language intrinsically one of the easiest in the world. But the fact that such a multitude of grammars are thrown upon the public, manifestly indicates that no rational Theory on the subject has been reached and clearly presented to the well-informed portion of the community, notwithstanding all the literary efforts in that direction.
