Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who stante there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

(Kaelyn Reichel)

A CLATTER OF JARS

Listening Library (Audio), United States, 2016. CD-Audio. Book Condition: New. Unabridged. 150 x 130 mm. Language: English . Brand New. One of the finest novelists of her generation, National Book Award nominee Lisa Graff returns readers to the world of A Tangle of Knots, where a camp for Talented kids just might be a recipe for disaster. In this magical companion to the National Book Award nominee A Tangle of Knots, it's summertime and everyone is heading off to camp. For Talented kids, the place to be is Camp Atropos, where they can sing songs by the campfire, practice for the Talent show, and take some nice long dips in the lake. But what the kids don't know is that they've been gathered for a reason--one that the camp's director wants to keep hidden at all costs. Meanwhile, a Talent jar that has been dropped to the bottom of the lake has sprung a leak, and strange things have begun to happen. Dozens of seemingly empty jars have been washing up on the shoreline, Talents have been swapped, and memories have been ripped from one camper's head and placed into another. And no one knows why. With a camp full of kids, a lake full of magic, and a grown-up full of secrets, A Clatter of Jars is a story of summer, family, and the lengths we go to win back the people we love. Perfect for readers who loved Katherine Paterson's *The Great Gilly Hopkins* or Louis Sachar's *Holes*. Praise for Lisa Graff's novels: *A Tangle of Knots* Lisa Graff has created a beautiful world of deliciously interconnected stories that draw you in. Abby West, *Entertainment Weekly*, A- * Subtle and intricate, rich with humor and insight, this quietly magical adventure...
