Brand New Book ***** Print on Demand *****.Astonishing answers to unspoken questions revealed Life is full of poetry. I write in hopes of uplifting the spirits of those who have lost themselves and others who think that life is just about living and about themselves. What you re going through, many others have already been there. God created each of us with a special gift, and to live to help each other. Since God has all the riches, all the power, fame, and fortune, we need Him, and He doesn t need us. In times like these, we all need prayer. For we don t know what lies before us. We need to pray during the good times, bad times and pray not just for our self, but for one another, for there is power in praying. When we pray, why we pray, how we pray, where we pray is our connection in communicating with God. No one is exempt from trials and tribulations, but through prayer, it helps us cope with the situation a lot easier, because God puts no more on us than we can handle. We don t know why we go through some things, but everything that happens in life happens for a reason. We pray for understanding, we gain knowledge, and through life experiences we re rewarded wisdom. God has the answers to everything. Everything we go through and are going through, God already knows, because He sits high and looks low. God knows our heart as well as our thoughts. He knows everything about us. And if we just look back over our life to where we have been to where we are now-realize that we are blessed...
