This is one in a series of reports designed to help federal agencies improve or maintain effective internal control, financial management systems, and financial reporting. GAO discusses the status of the 13 remaining standards in Title 2, Accounting, of the GAO Policy and Procedures Manual for Guidance of Federal Agencies in light of the most recent compendium of Federal Accounting Standards Advisory Board (FASAB) standards and guidance. GAO either (1) reprinted the standards that remain in effect, along with any updated citations to relevant guidance, or (2) provided the citation of current guidance replacing that standard. This item ships from La Vergne, TN. Paperback.
