

Mastering Project Portfolio Management (Hardback)

By Michael J. Bible, Susan S. Bivins

J Ross Publishing, United States, 2011. Hardback. Book Condition: New. 257 x 180 mm. Language: English . Brand New Book. Official reference material for the Portfolio Management Professional (PfMP)SM Credential Examination This unique text provides a holistic view of project portfolio management (PPM) that includes people, process, tools, and techniques that work synergistically within the organization to produce portfolio decisions with the best chance of success. It illustrates the entire PPM process from strategic planning through portfolio evaluation and adjustment, including prioritizing objectives, identifying and evaluating candidate projects, selecting optimal portfolios using portfolio analysis, establishing project and portfolio performance metrics, measuring portfolio performance, and project portfolio governance. Rather than just an abstract discussion, Mastering Project Portfolio Management simulates real-world portfolio management through sample scenarios demonstrating advanced decision-making techniques and the use of decision-making software that readers are given access to. This book guides readers step-by-step through the entire project portfolio management process and is ideal for corporate and government training programs and as a primary text for graduate level academic courses. Key Features Includes limited license access to web-based and desktop decision-support software with a resource aligner module for structuring Analytic Hierarchy Process (AHP) models, prioritizing objectives and alternatives, and optimizing the portfolio Shows...

Reviews

Extensive manual! Its this kind of very good read through. I actually have read and that i am confident that i am going to planning to study once again once more in the future. I am easily could possibly get a delight of looking at a composed publication.

-- Ryder Purdy

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
