M P Publishing Limited, United Kingdom, 2011. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. In the not too distant future, after the huge successes of role-playing games and virtual worlds such as The Sims and Second Life and reality shows such as Big Brother, it was only a matter of time before somebody took the next step. A remote island. An android population existing only to entertain. Their lives broadcast around the clock and around the globe. Their actions dictated by their owners. It s the world s biggest game played by thousands. Welcome to Gameworld . Dean 3012 is a good guy living on the Island. He loves his girlfriend, Lily, to pieces. With their first baby on the way, life is perfect. But when things take a sinister turn, the couple are plunged into a world of darkness and despair. Dean must somehow find a way to take control and fight for all their lives. Amelia watches the game, given the gift of a droid when she was but a small child. However, when her character s happiness is threatened, how far will Amelia go to protect her?.
