McClelland & Stewart, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Ignorance is not bliss. That's the short and firm message in this terrific second Tom Tyler mystery from Maureen Jennings. Fans who mourn for the Murdoch tales of Victorian Toronto should not despair; he will return. But the Tyler series, set in Second World War England, shows all of Jennings's talent for historical mystery. . . . With great historical detail, solid characters and a really good plot, this series is another winner for Jennings. Fans of the Foyle's War TV series should rejoice." --Globe and Mail "The period setting is amazingly vivid and terribly real. Writing with all senses on high alert, Jennings creates a flawless approximation of a typical day in the life of all the girls who worked on weapons assembly lines, their skin yellow and their hair orange from the cordite. And when she takes the story underground during an air raid, those bombs she starts dropping come so close that readers might want to duck their heads and take cover." -- New York Times Book Review "The atmosphere and dialogue in Beware This Boy puts you at the heart of the story. The haunting melodies of Vera Lynn seem to settle in with the words. Writing about the past -- 1940 England, a year into the Second World War -- is a skill. Making the reader feel they're in the middle of it is a gift. . . . Readers are drawn into as fine a piece of historical mystery writing as they're likely to come across. Read and relish this extraordinary piece of storytelling." --Hamilton Spectator "Well-crafted characters are [a] Jennings hallmark and this novel has many. The story is told from the perspective of several men..."
