

Textbook of Occupational Medicine Practice (New edition)

By David Koh, Chia Kee Seng, J. Jeyaratnam, Chia Kee Seng

World Scientific Publishing Co Pte Ltd. Paperback. Book Condition: new. BRAND NEW, Textbook of Occupational Medicine Practice (New edition), David Koh, Chia Kee Seng, J. Jeyaratnam, Chia Kee Seng, This text provides a link between occupational health and clinical practice. Besides providing a starting point for health professionals with an interest in occupational medicine, as well as those intending to specialize in occupational medicine, the book aims to be a useful guide for all those who are interested in occupational medicine practice, including medical students at various levels, occupational health nurses, general practitioners and more senior professionals in occupational medicine. The first edition is now used in occupational-health training courses in several countries, such as Singapore, Malaysia, Indonesia, Vietnam and Jordan. The second edition is an extensively revised and updated version, with several new contributors and new material. The contributors are a mix of international and regional occupational health specialists and clinicians. The contents of this book have been streamlined to appear in two sections. The editors have retained the approach of examining occupational health issues and concerns from the standpoint of clinical presentations of the different organ systems. Clinically oriented chapters form Section 1. Section 2 comprises other issues...
