She sacrificed everything to keep him safe Five years ago, con artist Lisa Smith broke the first rule of hustling when she fell in love with and married her mark, billionaire Sawyer Hayes. The erotic nights spent acting out her darkest fantasies with her husband and Master were the happiest of her life. But when her ruthless father demanded she kill him and take his money, she had no choice but to disappear without a trace or lose him forever. Hell risk everything to have her again Now Sawyer has found her, and he has an indecent proposal: submit to him for seven nights and hell grant her the divorce she desires. Forced to pretend she no longer loves him, each night spent in his arms is exquisite torture as they reignite their intense passion through role play and ménage. But when a deranged killer out for revenge targets Lisa, she must finally trust Sawyer with the secrets of her past or neither of them will live to see the future.
