Text-Book of Psychiatry: A Psychological Study of Insanity for Practitioners and Students (Classic Reprint) (Paperback)

By Dr E Mendel

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Text-Book of Psychiatry: A Psychological Study of Insanity for Practitioners and Students The addition of the psychiatric clinic to those clinics at which the attendance of medical students is obligatory, and the addition of psychiatry to the list of subjects in respect to which physicians must be examined in conformity with the ordinance concerning examinations of May 28th, 1901, have prompted the publication of this text-book. There is no lack in Germany of excellent works on psychiatry, but they have been deemed too comprehensive for the student attending clinics and for the young physician who is subject to examination. The author s object is to bring cases demonstrated at the clinic into the general perspective of psychiatry, and to enable the student to fill up the gaps which the clinic must necessarily omit in the limited time given. It is readily understood that in this volume clinical histories could not be included. It is especially true of psychic diseases, as well as of ailments included in the general study of medicine, that clinical histories do not...
