Fish Facts: An Illustrated Guide to Commercial Species (Paperback)

By W a Rodger, Jardine

Springer-Verlag New York Inc., United States, 2013. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book ***** Print on Demand *****.FISH FACTS presents fundamental scientific and market data concerning the most commercially important fish and shellfish in North America in an easy-to-use, clear, and concise format. The basic biological facts of North America s marine and freshwater fishes have been combined with current market and statistical information to provide the reader with a portrait of the various species that comprise one of our most valuable and renewable resource industries. This is the first time that the major commercial species have been matched with their approved market names as designated in The Fish List, the United States Food and Drug Administration s guide to acceptable market names. While many books provide identifica- tion under one or two names, Fish Facts supplies the market name, scientific designation, and many common names and aliases, along with major international recognitions, so mistaken identifications will be minimized. Common confusions in terminology and species identification have been isolated so that readers know what to look for. Identification is also enhanced by the use of illustrations. Included are the basic facts on...

Reviews

A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be he finest book for at any time.

-- **Kristy Stroman**

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
