

Lichenological Contributions in Honour of David Galloway

By Ingvar Kärnefelt

Borntraeger Gebrueder Apr 2007, 2007. Buch. Book Condition: Neu. 230x144x32 mm. Neuware - This magnum opus includes 36 contributions from friends and colleagues of David Galloway, arranged in two parts. Part I is a compilation of seven historical accounts (117 pp altogether) and Part II, the bulk of this publication, includes 29 contributions to Southern Hemisphere and tropical lichenology, all arranged alphabetically by first author's name and preceded by a preface. The first paper by Lars Arvidsson is a summary of David's long lichenological career which took him from his home in New Zealand to the UK in the 1970s, and from here to many other countries both in the North and Southern Hemispheres before going back to New Zealand in the mid-1990s. One of the fruits of this outstanding career is his prolific scientific contribution with over 300 hundred papers written in 40 years of work, which also include a major solo publication, the Flora of New Zealand lichens, recently much extended and revised and no longer fitting into one volume (see above)! This paper and the editors Preface also mention David as a devoted husband and a most generous friend, something that many, including me, can...

Reviews

A top quality ebook and also the font employed was interesting to read. This is for those who statted there was not a worth studying. Your life span will probably be enhance when you total looking at this ebook.

-- **Billy Christiansen**

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
