Workman Publishing Company. Paperback. Book Condition: New. Paperback. 405 pages. Dimensions: 6.0in. x 3.9in. x 1.0in. Over twenty-five years ago, Nikoli, a Japanese puzzle and game company, started publishing a curious logic puzzle called Sudoku. The result was magical and in recent years, Sudoku has spread from Japan to other countries. These newer puzzles, however, are often computer-generated and lack the simple beauty of handmade puzzles. Nikoli continues to nurture and develop Sudoku with handmade puzzles that contain the vital ingredient that make puzzles enjoyable: the sense of communication between solver and author. The best Sudoku make you concentrate, but aren't stressful. Arranged from Easy to Very Hard, here are over 300 logic puzzles that celebrate the compulsive joy of Sudoku with symmetry, smartness, and elegance. Absorbing and engaging, every puzzle is designed by an author who anticipates your next step and obscures the path, while never leading you into frustration. Each puzzle carries the careful thought of a master who knows when to encourage and when to withhold, who shares the joy of that moment when one hard-won number is captured and the entire puzzle falls into place. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La...

Reviews

This book might be worthy of a go through, and a lot better than other. It had been written really properly and helpful. You may like just how the author wrote this publication.

-- Prof. Mattie Beatty

This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting reading this one. It's been written in a remarkably easy way in fact it is only after I finished reading through this book by which basically altered me, affected the way I think.
