ANIMAL-POWERED MACHINES

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Animal-powered Machines, J.Kenneth Major, This is a book about a little known element in the history of motive power, the animal powered machine. Windmills and watermills survive in most parts of Britain, but animal-powered machines, whether vertical treadwheels or horizontal horse engines, are hardly known, despite the significant contribution they made to the history of mining and agriculture in the late eighteenth century and early nineteenth century. The development of the...

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.
