For Samantha Henry, it took a ten-year absence to appreciate the close-knit New England town with an appeal all its own. . . . After a perfect storm of events leaves Sam high, dry, and jobless, she has to head home to Harvest Cove to regroup. Growing up, she was the town misfit, and a brief high school romance that resulted in heartbreak made her realize she was never going to fit in. But now with the support of her mother and an unexpected circle of allies, Sam starts to wonder if she misjudged the town all these years. Life's been good to Jake Smith. He transitioned from popular jock to town veterinarian without any trouble. But Sam's homecoming makes him question his choices. The sharp-tongued beauty was never a good fit for the small community, but he's never forgotten how good they were together. While she makes it clear she's not about to repeat the past, Jake's determined to convince her to give him and Harvest Cove a second chance. This item ships from multiple locations.
