Brand New Book ***** Print on Demand *****.Excerpt from Practical Confectionery Recipes: For Household and Manufactures Use Comprising Full Directions for the Making of All Kinds of Candies, Creams, and Ice Creams The author, in publishing this book, has had in view the simplifying of all recipes, so that any person after carefully reading them can reach the same results as are obtained by experienced workmen. The economical housewife will be repaid the outlay in one trial; the cost of the finest bonbons and chocolate being reduced to the price of sugar. To the dealer these recipes will be a boon, not only in affording him the opportunity of a much larger margin in profit, but also the assurance that his goods are pure and strictly fresh. These recipes are the same as Professor Du Niel used in candy-making at the World s Columbian Exposition.
