Reviews

This book might be worth a read, and far better than other. It is rally interesting throgh studying time period. I discovered this book from my i and dad suggested this ebook to find out.
(Isobel Bailey)

WHAT S IN A NAME? (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from What s in a Name? Scene - The sitting-room of a small apartment. As the occupants have just moved in, the pictures are leaning against the walls. A chair is just right of center. Another smaller chair is a little left. A box of books is about center, upstage. A small table is up left, in the angle of the two doors. One of these, leading to the hall, is in the left wall; the other, leading to the adjoining room, is in the rear wall, near the angle where it joins the left. Other chairs and furnishings are arranged in disorderly groups. At Rise - Irene, a pretty little woman with a decided manner and personality, is bending over the box of books. Jim, with his overcoat on, enters through the door at back. His hat and gloves are on table up left. He is a young business man, well groomed and of pleasing appearance. Jim. I hate to leave you to do all this. Irene. (Straightening up.) Oh. don t you worry about that. (Seeing he has on his coat.) Are you starting? Jim. Yes; I m late now. Should have been in the office by ten. But one doesn t marry, and move, and hire a girl, all in one day, without feeling a little like lingering next morning, eh? Irene. (Going up to him and cuddling close.) I think we were so sensible not to have a honeymoon, and begin right off being just married people. Don t You?
