# ADHD: ATTENTION-DEFICIT HYPERACTIVITY DISORDER IN CHILDREN, ADOLESCENTS, AND ADULTS

Paperback. Book Condition: New. Paperback. 292 pages. Paul Wender began his career treating children with ADHD 37 years ago and has treated adults with the disorder for almost 30 years. His exhaustive research and insight gained from clinical practice led to the first book about ADHD in children (Minimal Brain Dysfunction in Children, 1971). Continuing research revealed that in many instances ADHD persisted into adult life, and that adult ADHD included symptoms that were not present in childhood. These findings...

## Reviews

---

*This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.*

-- **Angus Hickle**

*This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.*

-- **Avery Daugherty**

*The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.*
