Baker Publishing Group, United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. The Psalms are the most-read part of the Old Testament, but their importance for ethics has often been overlooked. However, the Psalms offer some of the most potent ethical instruction in the Bible. In this book internationally renowned Old Testament scholar Gordon Wenham examines the source of the Psalms power, reflects on their main ethical themes, and shows how they function as prayers that change us. Wenham makes an important contribution to biblical scholarship and breaks new ground in discussions of Old Testament ethics, yet he writes accessibly, making this book invaluable for students, scholars, and pastors.
