Brand New Book ***** Print on Demand *****.The Children s Writer s Guide examines how you can get started as a writer, create time and space to pursue your craft and deal with lack of motivation and writers block. Topics covered include where ideas come from and how writers turn them into stories, choosing names for characters that are appropriate to the story, the importance of historical research if your novel is set in a different era, writing science fiction and fantasy, and the use of magic in stories for children.
