AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book begins by introducing you to the great controversy of sin, how it started and where it will end. The origin of sin, which started in heaven prior to sin on this earth, sets the stage for how it will end. Without this knowledge you will not know the truth of end time events. You will be lead astray by convincing tales, though they are not based on the beginning of sin or the character of God. Then the book jumps right down to the last 1335 days before the first resurrection, which takes place at the Second Coming of Christ. It gives exact details of the start for the last 1335 days along with broader generalities as to what will take place in that time. This book does NOT give the date of the Second Coming, but we will know exactly 1335 days before Christ comes. Then an explanation is provided of the 1000 years after the Second Coming, followed by the Third Coming of Christ and the second resurrection, which is when the Lost are judged. The Lost will be found guilty of sin and not repenting be sentenced to death, not everlasting torture, and be destroyed quickly along with this sin filled earth as we know it today. God will then recreate the earth to the perfect Garden of Eden as it was before and He will reign on earth and sin will be abolished for eternity.
