Brand New Book ***** Print on Demand *****.Gut Feelings For many years, Ulcerative colitis was a fact of life for our son, Sam. He began showing the disease s debilitating symptoms when he was 2 years and 8 months old. At first, the doctor said Sam has a stomach flu virus. We see this every day. There is nothing to worry about. He will recover in a couple of days. Soon after we realized that Sam had a serious illness called ulcerative colitis and that its cause was unknown. Sam had several flare ups, many complications, and failed to respond to various medications. We were referred to several specialists and we moved to 4 states in less than 3 years looking for the doctor who could cure our son. Before Sam reached his 7th birthday, he was hospitalized 26 times, had general anesthesia 23 times, had endoscopic examination of his esophagus, stomach, small and large intestine 21 times, had several abdominal CT scans and radiographs, had two major surgeries averaging 4 1/2 hours each, had 5 blood transfusions, and countless doctor visits. We stayed with him...
