Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Mosaic Authorship and Credibility of the Pentateuch The author first shows that the writer of the Pentateuch displays an exact knowledge of the customs and topography of Chaldea, Canaan, Egypt, and the Desert of the Wandering, (in all which countries our knowledge has of late been greatly increased by the decyphering of cuneiform and Egyptian inscriptions, and by the work of the Ordnance Survey of the Wilderness and of the Palestine Exploration Fund, with the result in all cases of confirming the Biblical narrative); and that Moses alone possessed this vast and accurate knowledge. He next shows that the position of the tribe of Levi was so inferior to that of the rest in all worldly advantages that it is inconceivable that they should have submitted to it unless they had in compensation religious and spiritual prerogatives. He also gives reasons for the partial observance of the Mosaic Law in Palestine; and proves that its promulgation would have been impossible at any and every period after the conquest. Finally, he combats the theory that though the Pentateuch was Mosaic, the three legal codes contained in it were of late and varying dates, by showing that it is destitute of proof and contrary to facts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
